

## Financial Director / Head of Accounting - swissnet group (m/f/d)

### Who we are:

swissnet AG, headquartered in Berg (Thurgau, CH) with offices in Hanover, Munich, Dresden and Metzingen, is a highly innovative company specializing in network technology, IT infrastructure, telephony, and location-based marketing software. We support clients in the retail, healthcare and hospitality sectors on their journey toward a digital and AI-driven future.

Following rapid growth in recent years, we are now a group of several IT companies with operations in Germany, Switzerland and Dubai. swissnet AG is publicly listed on the Frankfurt Stock Exchange.

### What we are looking for:

We are seeking a **Financial Director / Head of Accounting** for the swissnet group (m/f/d), to be based in Germany or Switzerland. In this role, you will take on the following key responsibilities:

- Group-wide financial leadership and oversight of the annual, semi-annual and consolidated financial statements, including coordination of external audits
- Development and continuous improvement of a modern, meaningful accounting and reporting system as a management tool across all group entities
- Management of internal and group-wide financial reporting processes
- Oversight of annual financial statements in accordance with local GAAP
- Preparation of annual and semi-annual financial statements (both individual entities and consolidated group)
- Preparation of group-wide consolidation in accordance with IFRS
- Responsibility for the group's planning and budgeting process
- Treasury management: optimizing cash flow, ensuring liquidity, and maintaining bank relations
- Liquidity planning across the entire group
- Monthly financial reporting to the Board of Directors

### What we expect:

- A university degree and/or advanced training in accounting/controlling
- Proven experience in preparing individual and consolidated financial statements
- Excellent command of both German and English, written and spoken

### What we offer:

- A responsible and scalable leadership position in a forward-looking company with international reach
- Modern infrastructure and a motivated, dynamic team
- The opportunity to actively shape an exciting growth story and contribute to building a leading international tech group
- Challenging projects in a dynamic environment – including capital markets and M&A activities
